

TubSafe® Anti-Slip Bathtub/Shower Treatment saves money, time, and provides complete guest protection against slipping

**TubSafe® Anti-Slip Bathtub Treatment®
vs.
Set Bathmats, Strips or Appliques**

Cost of set of strips, bathmat or appliqué is approx. \$8.95 ea/set - Typical life expectancy is 4-6 months in a hotel/motel environment

EXAMPLE: Based on a 300 Room Hotel

INITIAL COST	300 sets of strips/appliques x \$8.95	\$2685.00
1st Year Replacement	300 sets of strips/appliques x \$8.95	\$2685.00
2nd Year Replacement	600 sets of strips/appliques x \$8.95	\$5370.00
3rd Year Replacement	600 sets of strips/appliques x \$8.95	\$5370.00

LABOR COST To remove, clean glue residue and re-install new set of strips in bathtub @ \$8.50/hr. (15 Minute Per): 300 bathtubs x 15 Min. = 75 hours x 2 (6 months) = **150 Hrs Per Year = \$1275.00**

1 Year	150 Hrs x \$8.50	\$1275.00
2 Years (Cumulative)	300 Hrs x \$8.50	\$2550.00
3 Years (Cumulative)	450 Hrs x \$8.50	\$3825.00

TOTAL COST(mats, strips or appliques)

YEAR 1 : \$2685 + \$2685 + \$1275 (labor) = \$6,645.00

2 YEARS: \$5370 + \$5370 + \$2550 (labor) = \$13,290.00

3 YEARS: \$5370 + \$5370+ \$5370 +3825 (labor) = \$19,935.00

Doesn't include additional material cost for blades, adhesive remover, cleaner and etc for removal of strips/appliques

**TOTAL COST OF TubSafe®
Only \$2697.00** (at \$8.99/tub for 300)

For the same 300 bathtubs over 3 years!

plus your labor \$217.00 (less than 6 minutes/ tub or shower)

In 6 minutes, TubSafe® provides a permanent anti-slip treatment to the entire bottom of your bathtub/shower at a much lower cost, last 3 years and has surpassed the government test for slip resistance
